

## **Mark Jones Biography**

### **Musician / Composer / Producer / Engineer**

Mark started playing in local bands aged 10 where he developed a passion for writing and recording, eventually setting up his own commercial recording studio in Blackburn, Lancs.

Shortly afterwards Mark worked on the programming for **Black Grape's** album 'It's Great When You're Straight' before working with **Peter Gabriel** on his 'Growing Up' tour for the next 3 years.

Mark continues to mix his studio work with live production.
